

Compassion Sabbath/Sunday II

Our shared faith traditions teach us that children are created in God's image. We have a sacred obligation to protect all children, including making sure they have the health care they need to grow up strong and healthy.

- This weekend, people of faith are praying for the nine million uninsured children in our nation, including thousands in our own community. We're praying that our elected officials find the courage to put aside politics and do right by our children.

Our congregation is participating in a Compassion Sabbath/Sunday campaign organized by the PICO National Network to raise awareness of uninsured children and encourage people of faith to make their voices heard on this important issue.

We encourage you to call your Congressperson using PICO's toll-free hotline **866-633-6432**. Tell your Representative to vote YES to override the President's veto of bi-partisan legislation to cover 4 million uninsured children. The vote is on Thursday, so call on Monday!

Pray and call for uninsured children
